# 02. AUSWALK

Australian itinerary site with the requirement of booking the packages of tours and travels

With this development they gained the tourist of 30% increase and increased the sales of around 43%

[HTTPS://AUSWALK.COM.AU](https://auswalk.com.au)

The screenshot shows the Auswalk website homepage. At the top left is the Auswalk logo, which includes a stylized tree icon and the word "AUSWALK". At the top right is a white three-line menu icon. Below the header is a large, dark, moody photograph of a forest scene with mossy trees. In the center of this image is a white rectangular overlay containing the "Travelers' Choice™" award logo, which features an owl inside a laurel wreath with the year "2023" at the bottom. Below the award, the text "GUIDED, SELF-GUIDED & CUSTOMISED WALKING HOLIDAYS" is displayed in bold, black, uppercase letters. The background of the page is a blurred image of a landscape with a cloudy sky.

**AUSWALK**

Play with Sound

Travelers' Choice™  
2023

GUIDED, SELF-GUIDED & CUSTOMISED  
WALKING HOLIDAYS

With almost 30 years' experience under our belts, we'll take you safely down the road less travelled.

Walk with us or walk on your own, pack-free and fully supported in good company with Auswalk.

# 03. TATVASOFT

**Scope:** Company previous website upgradation with the help of react js and wordpress.

**Result:** Company website worked and developed when employed in this company and with the language such as : **HTML,CSS,React Js, and WordPress**

The screenshot shows the homepage of TatvaSoft. At the top left is the logo "TatvaSoft" with the tagline "sculpting thoughts...". The top navigation bar includes links for SERVICES, TECHNOLOGIES, INDUSTRIES, PORTFOLIO, INSIGHTS, ABOUT, and CONTACT. Below the navigation is a large image of a person's hands sculpting a piece of clay. Overlaid on the image is the text "SCULPT YOUR THOUGHTS TO REALITY". Below this, a subtitle reads "TatvaSoft excels in solving complex software development challenges using thought process and technology solutions." At the bottom of the page, there are four statistics: "1800+ Completed Projects", "21+ Years of Experience", "810+ Global Customers", and "36 Countries Clients Served". Logos for Microsoft Solutions Partner and CMMI are also present.

Software Development Company  
Serving Start-ups to Fortune 500

The screenshot shows the "REACT DEVELOPMENT SERVICES" page. The header features the TatvaSoft logo and tagline "sculpting thoughts...". A purple geometric background is used. The main heading is "REACT DEVELOPMENT SERVICES". Below it is a descriptive paragraph: "Empower applications with interactive UI/UX and consistent user experience utilizing our React development services. TatvaSoft is fully committed to develop and support end-to-end enterprise app development upholding its domain expertise in developing cross-platform, scalable and high-performing applications using React JS framework." To the right of the main content, there is a sidebar with statistics: "1800+ Completed Projects", "21+ Years of Experience", "810+ Global Customers", and "36 Countries Clients Served". Logos for Microsoft Solutions Partner and CMMI are included. A call-to-action button at the bottom says "React Development Services".

# 04. BETTERED NATURED

Better nature was ecommerce company solely purpose of selling fashion and cosmetics products

This project was developed entirely in shopify and also it is used in multiple channels of ad campaigns and selling advertisements.

[HTTPS://BETTERNATURED.COM/](https://betternatured.com/)

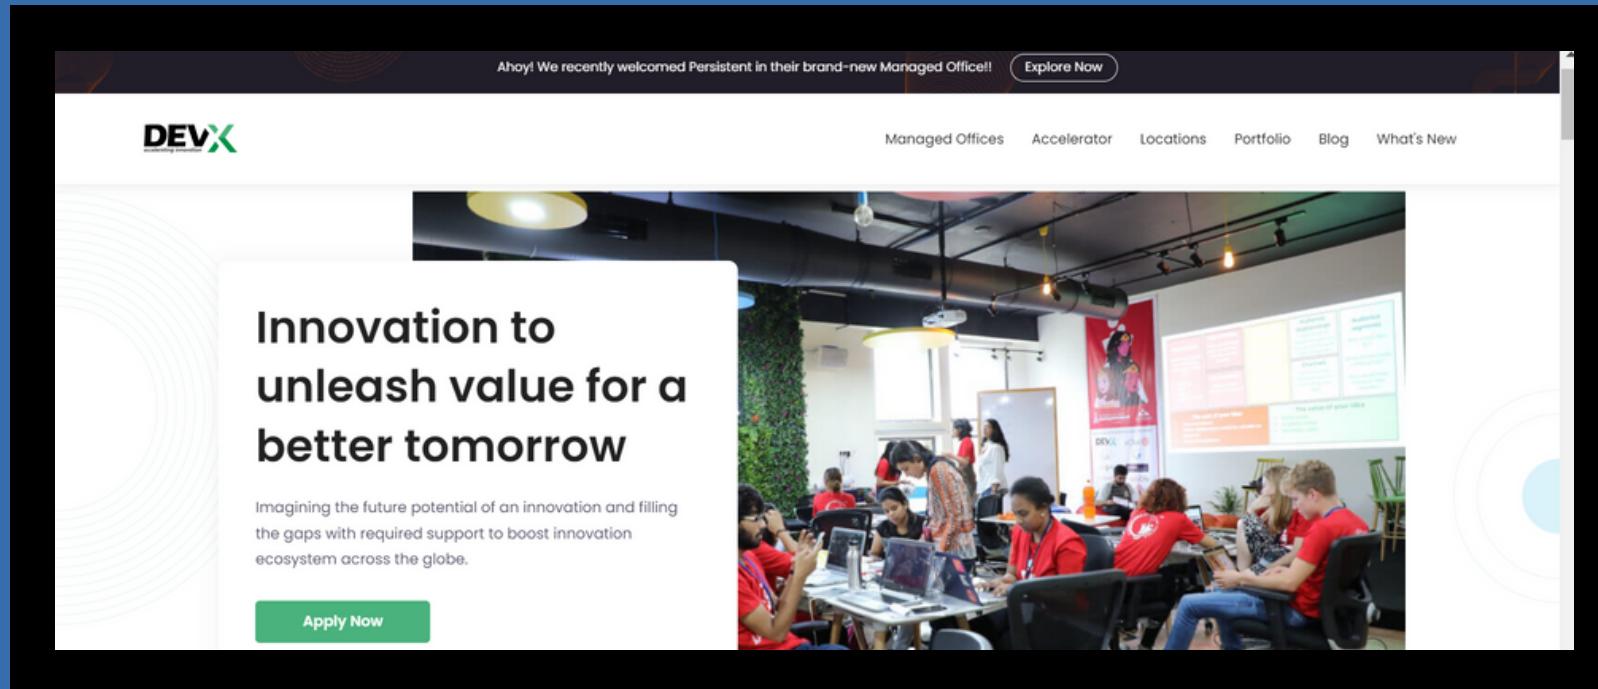

# 05. DEVX

[HTTPS://DEVX.WORK/](https://devx.work/)

DevX is a coworking space company which helps us to challenge part working in this project because it has developed in Ghost CLI

I also helped itself to grow in different cities of India and as well as in International states as well

A screenshot of the DevX website showing service offerings. The top navigation bar includes the DevX logo, a banner about Persistent, and links for Managed Offices, Accelerator, Locations, Portfolio, Blog, and What's New. Below this, there are six service cards arranged in a grid: 1. DevX Collab: Coworking Space (described as aesthetically designed vibrant workspaces). 2. DevX Accel: Corporate Accelerator (described as fostering early stage startups with life-transforming technology solutions). 3. DevX Innovent: Corporate Innovation (described as connecting large enterprises, SMEs and startups with talented innovators). 4. DevX Phi Designs: Interior Designing. 5. DevX Haas: Hackathon Management. 6. DevX Consight: Business Consulting. Each card has a "Know More" button.

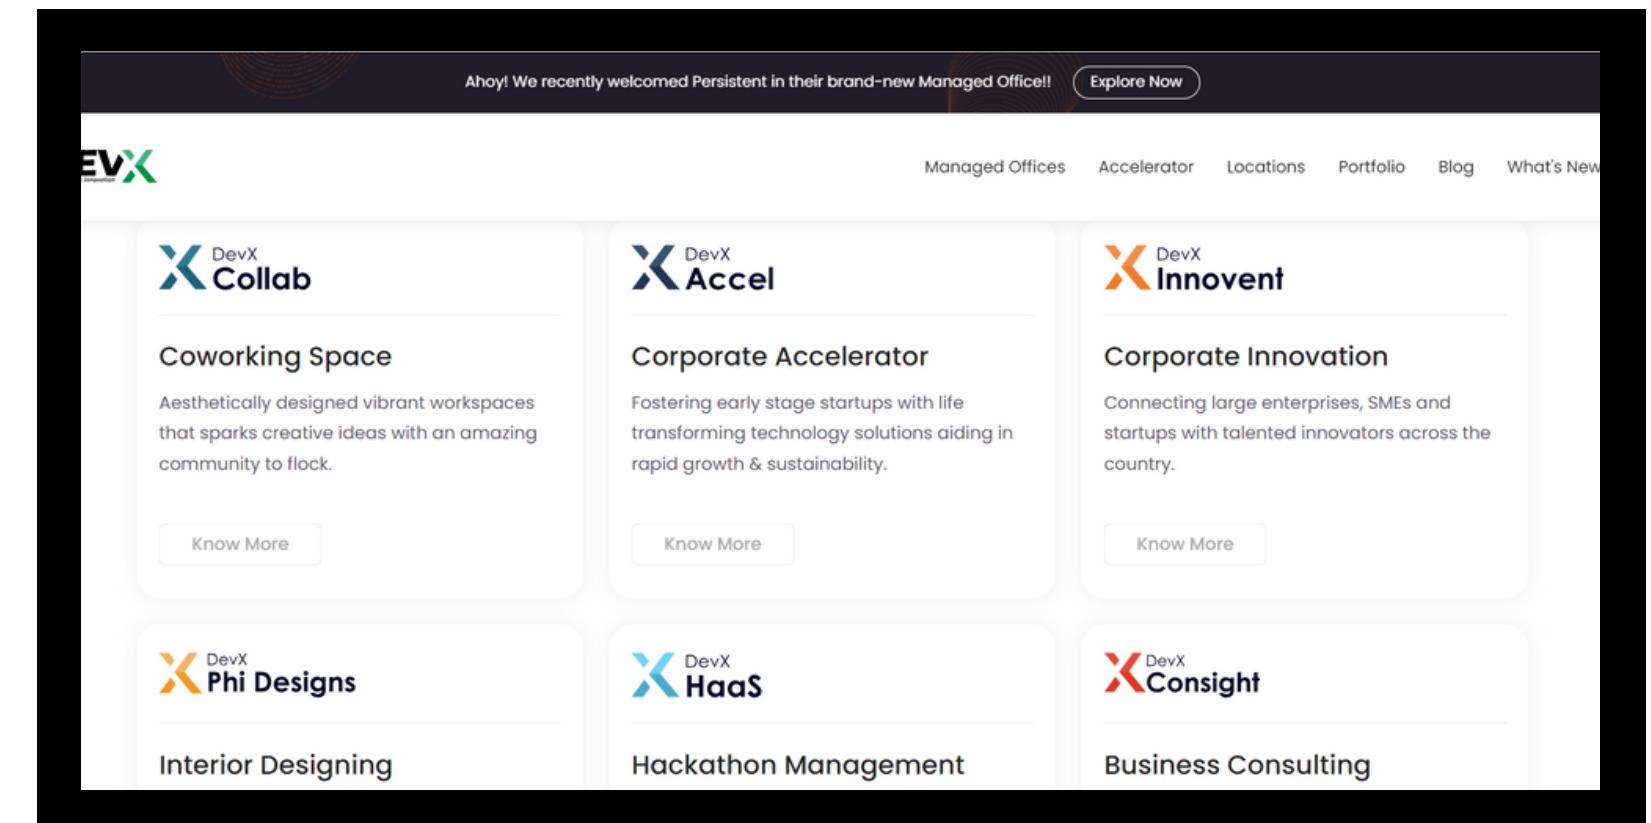

# 06. PHIDESIGN

[HTTPS://PHIDESIGNS.IN/](https://phidesigns.in/)

Phidesign is a interior coworking space company which helps us to challenging part working in this project because it has developed in Ghost CLI

I also helped itself to grow in different cities of India and as well as in International states as well
